A Touchstone Energy® Cooperative 

Cooperative Youth Scholarship 2022

ABOUT THE Scholarship

Oneida-Madison Electric Cooperative, Inc. (OMEC), is sponsoring a **\$1,000** scholarship to a student in the OMEC service territory. Along with this monetary scholarship, the selected student has an opportunity to meet with state and national political leaders, learn about our legislative process and how that process benefits the critical issues that face Rural Electric Cooperatives.

Along with this great experience comes an opportunity to become eligible for the **\$10,000** Glenn English National Cooperative Leadership Foundation Scholarship and a chance to meet with like minded youths in Nashville for the NRECA 2023 PowerXchange.
